SHOTA RUSTAVELI NATIONAL
SCIENCE FOUNDATION

National activities to support and enhance the participation of national stakeholders in Horizon 2020

Dr. Giorgi Khishtovani
Shota Rustaveli National Science Foundation
7 November, 2016

Activities of SRNSF to support the participation of national stakeholders in Horizon 2020 (1/2)

- **Increase of funding for projects in *Basic Research* and *Applied Research***
- **Adjustment of selection criteria for calls in *Basic Research* and *Applied Research* in accordance with ERC regulations**
- **Creating incentives for scientists to strengthen the level of international collaboration**
- **Simplification of monitoring regulations and concentration of excellent scientific outcomes**

Activities of SRNSF to support the participation of national stakeholders in Horizon 2020 (2/2)

- **Strengthening bilateral partnerships**
- **Support creation of the new research groups through funding of structured doctoral programmes**
- **Support *Young Scientist*'s development through great variety of initiatives for Master- and Phd students and PostDoc's**
- **„*Science Popularization Initiative*”**
