# Research Facilities

# Government Support to Research and Innovation

## Government expenditures on science and research

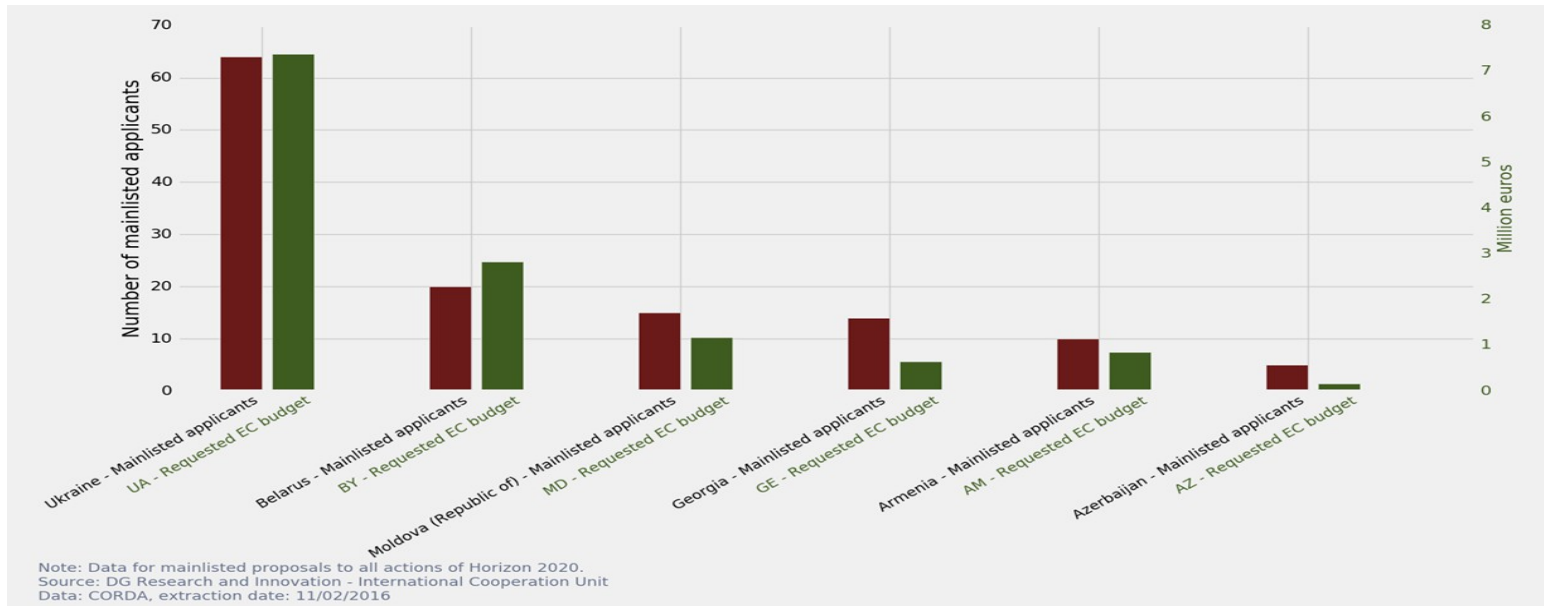

- ❖ Shota Rustaveli National Science foundation to support scientific research development in Georgia and integration of Georgian researchers in international research area
- ❖ Georgia's Innovation and Technology Agency (GITA) commercialization of research results and promote innovative entrepreneurship (technological center)

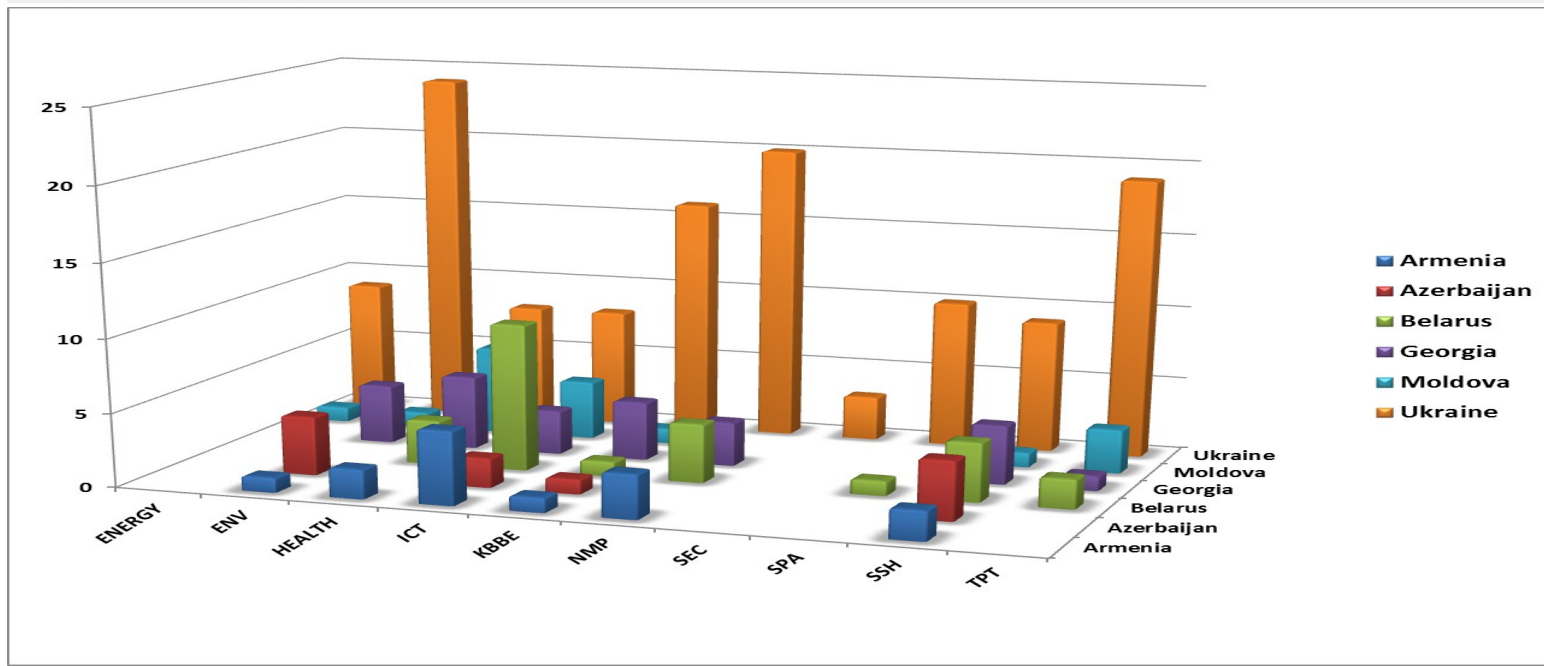

# Opportunities for Georgia

*29 April 2016 Georgia joined Horizon 2020*

# EaP countries Participation in H2020

H2020

FP7

# Challenges for Georgia as a newcomer

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to dark navy blue. These shapes are primarily located on the right side and bottom of the slide, creating a modern, dynamic aesthetic.

# Partner search

- ▶ Talk to your partners and their friends
- ▶ Use your academic and personal contacts
- ▶ Talk to your colleagues and their friends
- ▶ Check/use partner search tools
- ▶ Search internet and different web sites
- ▶ Participate in Brokerage event
- ▶ Participate in International workshops, conferences
- ▶ Use thematic groups in social media
- ▶ But remember - You have to be visible!!

Participant Portal - Information on open calls, register as an expert, NCPs, information on funded projects

Euraxess -Opportunities for researchers

Marie Skłodowska-Curie actions

# Thank You

- ▶ Natalia Shatirishvili, NCP
- ▶ *Secure, Clean and Efficient Energy*
