

Joint scientific grant competition of LEPL Shota Rustaveli National Scientific Foundation and National Research Council(Italy) in 2014

N	Project Code	Project Title	RePresentative from CNR	Winner
1	cnr_2015_017	Solitonic Transport in Magnetic Nanoparticle Systems	Dott. RUFFO Stefano Istituto dei sistemi complessi (CNR)	Dott. KHOMERIKI Ramaz Javakhishvili Tbilisi State University
2	cnr_2015_010	Synthesis of chiral sulphoxides and hydantoins, separation of their enantiomers in high-performance liquid chromatography and study of molecular mechanisms of enantioseparations	Dott. VOLONTERIO Alessandro Istituto di chimica del riconoscimento molecolare (CNR)	Dott. CHANKVETADZE Bezhan Iv. Javakhishvili Tbilisi State University
3	cnr_2015_007	Preliminary study for the assessment of seismic risk in strategic cities of Georgia	Dott. MOSCATELLI Massimiliano Istituto di geologia ambientale e geoingegneria (CNR)	Dott. TSERETELI Nino M. Nodia Institute of Geophysics of TSU
4	cnr_2015_002	Transmission of Knowledge and Culture in Antiquity: the Concept of Translation in Artistic Crafts. A Case-Study of Ancient Near East and South Caucasus in III-II millennium BC.	Dott. DIPAOLO Silvana Istituto di Studi sul Mediterraneo Antico (CNR)	Dott. PUTURIDZE Marina Tbilisi State University
5	cnr_2015_008	Characterization and potential use of endogenous entomopathogenic nematodes in Georgia and Italy.	Dott. DE LUCA Francesca Istituto per la Protezione Sostenibile delle Piante (CNR)	Dott. BURJANADZE Medea Laboratory of Forest Protection
6	cnr_2015_016	Aegean World and South Caucasus: Cultural Relations in the Bronze Age (JW)	Dr. Massimo Cultraro; Institute of Archaeological and Monumental Heritage (IBAM);	Dr. Goderdzi Narimanishvili; Caucasian University;
